# SERENISSIMO
# FRIDERICO
## REGIO POLONIAE
## ET
## ELECTORALI SAXONIAE
## PRINCIPI

JACOBUS MUSELLIUS.

QUod paucis ſummis ac Principibus viris aetate perfecta vix accidit aliquando, ut ea quae de ipſorum dotibus atque virtutibus magnifice praedicantur, audientibus videantur fama vel favore aucta, & idcirco minuenda; in

in praeſentia autem creſcant, & inveniantur majora; id TIBI adhuc adoleſcentulo eveniſſe, noſmetipſi, SERENISSIME PRINCEPS, proprio experimento didicimus. Eo nimirum in itinere, quo ad inclytum utriuſque Siciliae REGEM CAROLUM digniſſimam Conjugem MARIAM AMALIAM Sororem Tuam adducens, vel exinde in Germaniam rediens, varias eaſque inſigniores Italiae Urbes adiiſti; quae de ingenio, de indole, de ſtudiis, pietate, & comitate Tua ad nos ferebantur, adeo erant inſignia; ut (quod candide fateri non recuſamus) ſicuti ſupra aetatem, ita ſupra fidem poſita viderentur. At cum primum Veronam acceſſiſti, ubi aliquot dies immorari, & res noſtras perſpicere, ac nobis Tui copiam facere pro humanitate Tua TIBI placuit; minora fuiſſe cognovimus, quae de TE rumor ad nos pertulerat, quam quae ipſi oculis uſurpavimus. Pellexiſti ſtatim omnes in amorem Tui praecipua comitate morum, & lenitate ſermonis. Egregiae vultus formae praeclaram animi indolem reſpondere deprehendimus. Crebra Catholicae religionis ac pietatis in Deum teſtimonia dediſti, quae praevalido aliis exemplo eſſe poſſint. Ingenium ac ſtudia Tua, amoremque erga litteras peculiarem multa probarunt. Vivit praeſertim, vivit adhuc memoria ejus voluptatis, qua res antiquas hujus Urbis inviſens, non curſim, ſed mira attentione perpendiſti ſingula, & memoriae praeterea mandaſti. Memoratur jucunde perſpicacitas illa mentis atque illa rerum peritia, quarum identidem in variis argumentis, quae ſermocinando inciderant, praeclara ſpecimina praebuiſti. Illud inſuper tunc admirati noſtrates, praedicare non ceſſant, ingenii praeſtantiam tantoſque

ſtu-

ſtudii litterarum in Te fructus rara commendari memoria, qua praeter Theutonicam linguam patriam, probe callebas non Latinam modo, verum etiam Gallicam, Polonam, Italicam. Poſt tot tantarum virtutum ac dotium experimenta, nihil de TE quantumvis maximum audire contigit, quod incredibile videretur.

Quoniam vero inter ea ſtudia, quae homines colunt, & diligunt, alia alios allicere prae ceteris ſolent; TE numiſmatum, & id genus antiquitatum amor, ac ſtudium maxime tenet. Hinc factum, ut Potentiſſimus REX PATER TUUS, qui TE ſuo exemplo, ſuiſque optimis inſtitutis, ac praeclaris geſtis ad eximia quotidie vocat, quamvis & ipſe eodem ſtudio, & amore incenſus, TIBI tamen, quo currenti ſtimulos adderet, tuumque ſtudium magis magiſque acueret, ac foveret, ante aliquot annos celeberrimum Muſeum dono dederit. Illud inquam Muſeum inter inaeſtimabiles venerandae antiquitatis reliquias, nummis praeſertim cujuſque generis, aetatis, & linguae refertiſſimum, quod ab Auguſto immortalis memoriae Electore olim comparatum, dein ab Joanne Georgio I. item Electore in peregrinatione Italica auctum, ac poſtea acceſſionibus longe majoribus locupletatum ab incomparabili Avo Tuo Friderico Auguſto, primo Poloniae e Saxonica ſtirpe Rege, triginta circiter nummorum millia complectitur. Sola numiſmata Saxonicorum Ducum, & Electorum a Tentzelio illuſtrata, duobus voluminibus continentur ab illo editis, quae *Saxoniam Numiſmaticam* inſcripſit. Hoc porro Muſeum Tu, SERENISSIME PRINCEPS, mel ac delicias Tuas eſſe, continenter oſtendis, quippe qui & eruditis viris omnibus per-

egre

egre advenientibus illud aperias libentiſſime; & mirae, quam ex ejuſmodi fonte hauſiſti atque haurire pergis, eruditionis nova in dies, eaque luculentiſſima, omnium oculis argumenta ſubjicias.

Hiſce ego de cauſſis, cum conſtitutum mihi ſit e meo privato Muſeo Regum, Populorum, & Urbium, ac Imperatorum numiſmata iconibus expreſſa emittere, & inter haec non pauca, quae vel in ceteris collectionibus deſiderantur, vel cum mutilis, aut corruptis epigraphis edita ſunt; non abs re futurum credidi, ſi hoc opus TIBI nuncuparem, ut, quod ad illuſtrandum antiquorum numiſmatum ſtudium pertinet, peritiſſimi, ac ſtudioſiſſimi rei nummariae PRINCIPIS nomine honeſtaretur. Hac ergo in ſententia cum eſſem, quod videbatur maxime conveniens, feci, eoque feci alacrior, quia TE votis meis annuentem, hoc qualecumque munuſculum meum libenter (quae ſumma benignitas Tua eſt) ſuſcepturum accepi. Si autem id adſequar ut TIBI mea haec diligentia probetur, labores meos non exiguo ſane fructu compenſatos exiſtimabo. Vive diu, PRINCEPS OPTIME, Reipublicae litterariae decus, ſoſpes & felix vive: meque inter clientes Tuos adſcribere ne dedigneris.

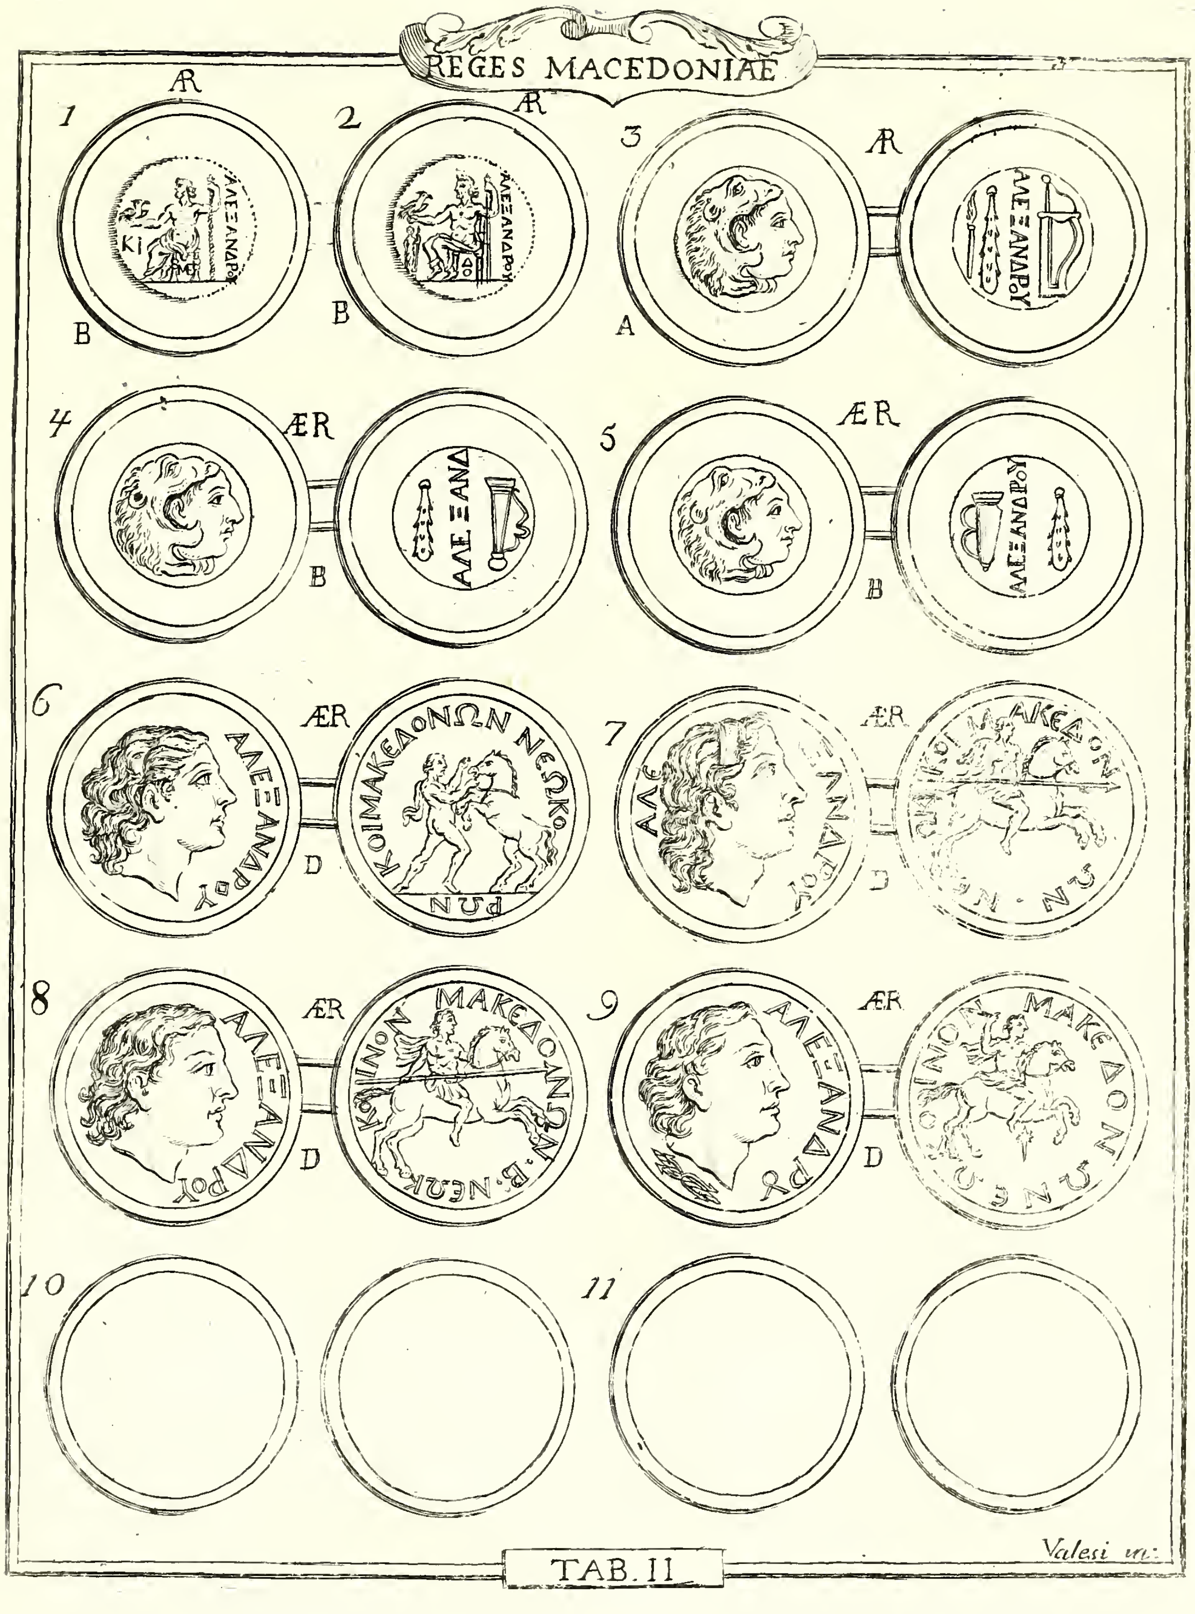

Veronae Idibus Septembris Anno MDCCLI.
